

Dear participant to Acoustics08,

Considering the large number of students (about one thousand), we have decided to organize a

INTERNATIONAL FORUM for JOBS in ACOUSTICS

restricted to the participants and the exhibitors of the conference.

We offer the possibility of leaving either a Curriculum Vitae (for Students), or a Job Announcement (for Exhibitors, Companies or Universities).

A website has been devoted to this service:

<http://www.acoustics08-paris.org/job-forum/>

Topical meeting will be organized during the Conference on demand.

If you are interested in participating in the JOB FORUM, please send your CV or your announcement to the following address (NOT to the congress secretariat):

jobacoustics08@gmail.com

Instructions:

1. The document MUST be transferred in PDF format and is limited to ONE PAGE/announcement
2. For automatic sorting, the PDF file name MUST comply with the following rules:

CV_SessionCode1_SessionCode2_FamilyName

or

JOB_SessionCode1_SessionCode2_CompanyName

Please select job codes from the following list (a maximum of two):

- AA: Architectural Acoustics
- AB: Animal Bioacoustics
- BB: Biomedical Ultrasound/
Bioresponse to Vibration
- EA: Engineering Acoustics
- MU: Musical Acoustics
- PA: Physical Acoustics
- PP: Psychological &Physiological
Acoustics
- SC: Speech Communication
- SP: Signal Processing
- UW: Underwater Acoustics
- NS: Noise
- SA: Structural Acoustics and
Vibration

Examples

If your name is "Luke Skywalker" and you are looking for a job in architectural acoustics (first choice) or in engineering acoustics, your PDF file name is: CV_AA_EA_Skywalker

If you work at Cergy University, and you want to propose a training period in non destructive testing, your PDF file name is: JOB_PA_CergyUniversity

Announcements that do not comply with this rule will not be processed

CVs and Job Offers are can be accessed on line at the following link:

<http://www.acoustics08-paris.org/job-forum/>

Looking forward to meeting you in Paris.
